

Wedding Ministry

We are here to help you to create a perfect wedding day. Although you may not be affiliated with any particular religious denomination or church, we know how important it may be to you to include a spiritual facet to your wedding day. We know it can be difficult to design a sacred ceremony incorporating two different religious backgrounds. We will help you to celebrate your diversity as you make this spiritual commitment to each other. Whether you are simply looking for a minister to perform your ceremony, or are in need of a church facility in which to hold this special occasion, we can help you plan an unforgettable day. We are here to help. Call Rev. Joanne Murphy today at (732) 918-3395 and begin to create the wedding your heart desires.
