

The Five Principles: A Guide to Practical Spirituality

by Ellen Debenport

New Member Book Study and Exploration

The Five Principles book study will provide you with practical spiritual tools for daily living and suggests answers to the great questions of existence that individuals have been asking since the dawn of conscious awareness

- ✓ ***Who and what is God?***
- ✓ ***Who or what am I?***
- ✓ ***What is my purpose?***
- ✓ ***Why do “bad” things happen to “good” people?***
- ✓ ***How can I live a more fulfilling life?***

The five principles constitute the core teachings of the Unity spiritual movement founded in 1889 by Charles and Myrtle Fillmore. These same principles reflect the laws of the universe that apply to everyone, all the time. *“Work these principles, test them and apply them to your life, and watch what happens”*
