

# An **Inconvenient** Sequel: **Truth to Power**

*The climate crisis affects all of us.  
And it's up to all of us to solve it.*

**Thursday, September 21st • 7:00 pm**

*Presented by Dennis Anderson of the NJ Chapter of the Sierra Club*

**T**his summer, former Vice President Al Gore returned to the big screen with ***An Inconvenient Sequel: Truth to Power***, sounding the alarm on the climate crisis transforming our planet and sharing the truth that the solutions are in our hands – but we have to act now.

Join us for this informative presentation based on the movie, and discover what we can do as individuals. The climate crisis affects all of us. And it's up to all of us to solve it.

## **PRESENTER:**

Dennis Anderson has a Masters degree in Chemistry from Arizona State University and a Master degree in Education from Kean College. He has been teaching Chemistry, Astronomy, Physics and Environmental Science for the past 23 years. He is currently the County Group Chair and Executive Committee member of the NJ Chapter of the Sierra Club.
